Newly-weds Entertain

The home of the newly married Mr and Mrs Gordon Berger has resounded with merriment and laughter on several occasions during the past week, as the popular young couple were given chivoree's and house warmings on Friday of last week a surprise party was given by the young folks of the district. They all piled into cars and headed for a good time at the Bar U where they went swimming and roasted marsh mellows, sang songs much to the enjoyment of all. Upon their return Geo. Hargrave on behalf of their many friends presented them with a combination sandwich toaster and waffle iron. On Monday of this week a number of young folks of Nanton surprised the happy couple. The evening was spent in singing and merriment.

Tuesday evening Mr and Mrs Berger invited the young folks to a lovely evening with ice cream and all the trimmings, cake cookies, sandwiches and a swell time at their home.

Wedding Smith - Stair

Miss Roberta M. Smith and Mr Deau Stair of Patricia were married June 24th at Bassano Alberta. The Rev. Hartford of Bassano officiated. They were accompanied by Mr and Mrs Stair, mother and father of the groom. The couple will reside six miles east of Wardlaw. They made a short trip to Champion, Calgary and other points.

Carmangay School Enterprise Display

On Tuesday afternoon Miss Anderson's primary pupils gave a display of their enterprise work, "the hospital" which was splendidly demonstrated in every way showing great credit to the teachers and scholars, also the songs and recitations. The hospital was a work of art. The mothers and friends of the children were well pleased.

Miss Farmer's room grades 4, 5, and 6 illustrated the "South Sea Islands", are to be congratulated on their work. An interesting feature was motion pictures and readings from some of the pupils. The color scheme of the Islands were very effective.

Country Schools Hold Final Picnic

The Bar U swimming hole was a spot of excitement when Blusom and Yale Schools taught by Miss Betty Chrisman and Miss Ivah Miller extended an invitation to the parents of the districts, to their yearly finale.

Swimming, softball and races for children, and mud fights among the older boys was the main sources of amusement.

A lovely picnic lunch was served at lunch time and ice cream later on in the afternoon.

It appears that some complaints were lodged with the management re a couple of tough guys making a general nuisance of themselves by ducking several of the older and more sedate guests such as Joe McNaughton and ye editor.

Chivari For Mr. and Mrs W. Smith

A number of friends surprised Mr and Mrs William Smith (nee) Leatha Hopkins at the home of her father on Monday night.

The couple were married in Knox United in Calgary Tues. of last week.

About a hundred and fifty guests were at the chivoree and they were entertained at the Bow Valley school house with dancing and lunch.

Notice to Farmers

This will be to advise that the Council of the Municipal District of Harmony 128, has appointed F. S. Racher of Champion as weed inspector.

It is the desire of the Council to keep these expenses down to the lowest possible point and a plan has been worked out whereby, we are asking the farmers to co-operate by notifying the Councillor of their division should they have any weeds of which they may be suspicious as being noxious. The Councillors will immediately notify the inspector or which he will be paid mileage and day wages. Please be advised that the weed inspector is only authorized to act only on instructions from a Councillor, as the Council feel that in most instances, with co-operation between the farmers and the Councillors most of the problems can be solved.

Respectfully yours
Municipal District of Harmony 128

Searle Grain Co. Seed Plots in Head

Mr Fred Clever has a spot on his farm he would be glad to show any one at all interested. It is the Searle Grain Company experimental or testing plot. This plot is located just north of the barn.

In this few square feet he has eight different kinds of wheat, eight of oats, five of barley and two of flax.

The adaptability of the different grain, to this particular locality is clearly seen at these plots. Some of the wheat grown is hardly a foot high while right along the side of it may be seen another variety that is 18 to 20 inches high and all out in head. The same applies to each of the other different grains.

Mr Clever showed us five different kind of tomatoes and soy beans. By just looking and comparing these plants one can easily determine the variety most suitable to this district and the conditions that prevail here.

Mr Clever extends with the Searle Elevator Company an invitation to each and every one of the farmers in this district to take advantage of this opportunity to see for himself the differences in the grains shown in this plot. He also adds that now is the opportune time to look over the plot as the grain is just heading.

GENERAL NEWS

William Diemert and I. Fox have joined the Canadian Active Service Force. I. Fox has already reported for training but Bill will first straighten out his affairs here in Champion.

Reports come from the Galt Hospital Lethbridge that Mrs Jack Doyle is recovering and doing fine after her recent operation.

Mr and Mrs H Morrison are spending their vacation with relatives at Seattle and other points.

British American Oil Co. are expected to begin their new Service Station in the near future. The Station is expected to be erected in the near future due east of town on the British American lots.

Miss Helen Farmer Honored

On Wednesday evening of last week the staff of the Champion School, Mrs Farmer Mrs R D Farries and Mrs O P Thomas were entertained at the home of Mr and Mrs Orr at a surprise party held in honor of Miss Helen Farmer a bride-elect of June.

The guests were entertained at Bridge, the honors going to Mr R D Farries and the consolation to Mrs Thomas.

Following this Miss Holm and Miss Orr served a delightful lunch.

The staff presented Miss Farmer with a gift as a token of their esteem and good wishes. This was done in a very novel way. Miss Farmer was required to read verses from cards fastened to decorated branches. From these she learned what all good grain buyers should know. The branches lead to a miniature Alberta Pool elevator in which she found the staff's gift, an electric grill.

New Movement Under War Charities Act

A meeting will be called at an early date to form a War Charities fund under the War Charities Act. The idea would be to make one canvas each year at harvest time and distribute the money to the Salvation Army; Red Cross, Canadian Legion; Y.M.C.A. etc. Many other communities in the province have organized on the above lines and it has worked out very satisfactorily.

- Editorial -

Welcome To Canada

Canadians welcomed their new Governor General on Friday, Lord Athlone and Princess Alice being received in the Senate Chamber on Friday when the nations welcome was extended.

Canada is fortunate in securing for her representative of the crown such a capable person as Lord Athlone and such a gracious hostess as Princess Alice. Their experience in public affairs insures a happy and interesting sojourn in Canada.

Domminion Day

On Monday Canada will be 73 years old. A very young country in terms of history and modern affairs but one of the most important in the whole world as viewed from the influence and wealth she possesses.

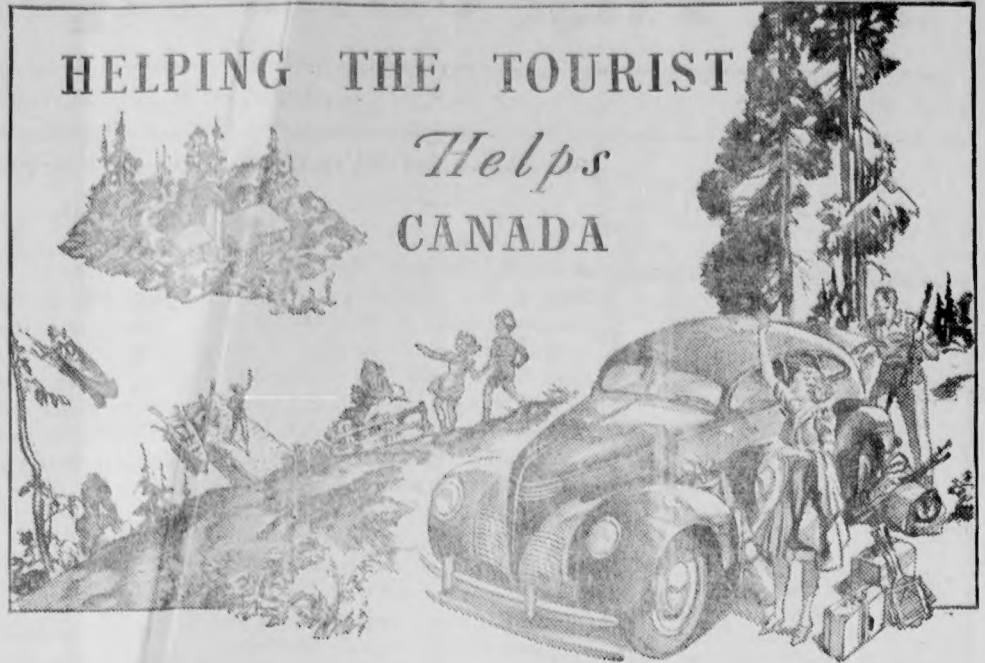

The Fathers of Confederation are credited with outstanding ability and vision but we doubt if they could have foretold the place which Canada is to play.

Canada today stands as one of the most important of present conflict against the forces of evil. Despite its racial and religious differences the people of Canada have freely and gladly given their wholehearted support to the government of the day. Canada, as in the last war, is taking a very important part in the world affairs.

Yes readers can feel proud to be able to call themselves citizens of Canada and at the same time take their responsibility of citizenship seriously.

HELPING THE TOURIST

Helps
CANADA

EVERY year well over 10,000,000 tourists visit Canada from the United States. They spend some \$250,000,000 in the Dominion. Canada's tourist trade has become one of the most important sources of the country's national income. Under stress of war, American tourist dollars are vital in providing needed exchange. Canada's Chartered Banks materially assist in promoting this valuable trade. Over 3,000 branch offices provide the tourist with familiar banking services throughout the Dominion—often in the most remote areas. At any of these branches travellers' cheques are cashed, drawings under letters of credit negotiated, money exchanged, tourist information gladly furnished by managers and staff. By friendly, courteous treatment and efficient service, Canada's Chartered Banks add to the warmth of welcome and encourage the stranger within our gates to return another year.

In war, as in peace, Canada's Chartered Banks maintain, uninterrupted, all their services to depositors, farmers, manufacturers, exporters—facilitating the nation's business—looking forward to peace with freedom as the only sure basis for enduring prosperity.

These articles carried over from last week.

At the regular meeting the Women's Hospital Auxiliary held Saturday last. Mrs. A. F. Wilson put in her resignation as president, which was accepted, it was decided to ask Mrs. Wm. Moore, the former president to again be president. The sum of \$50 was voted to be given to the hospital board to help pay for the recently installed incubator. Buying a chair for the nurses home was also voted for, and Mrs. E. Lacroix was appointed to procure one. The auxiliary meetings will still be held regularly, also the hospital mending done. With urgent need of the Red Cross and refugee work the women will be kept busy.

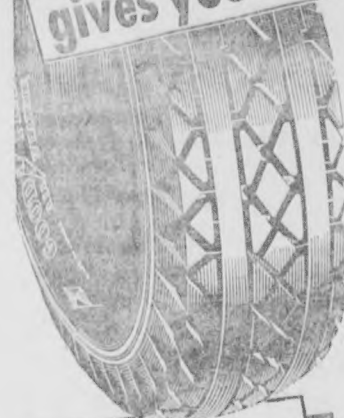

On Tuesday afternoon, Mrs. H. Morrison was a charming hostess at her home, honoring Mrs. Taylor, who, with her husband, Rev. T. Taylor, is leaving shortly for Delia. Eighteen members of the Ladies Aid were present who presented Mrs. Taylor with a gift expressing their regret at her leaving Carmangay. Contests with a social time and a dainty lunch concluded an enjoyable afternoon. Mrs. Taylor expressed her regrets at leaving and thanked the Ladies Aid for their sincere help in the Church affairs.

Walter Mercer of Strathmore paid a short visit at the C. W. Folk home. Sunday.

Mrs. Mart Low returned to her home last week, after spending some months with her son in Portland Oregon.
